GETTING READY FOR THE ASSEMBLY

For the last two weeks chorus students have been practicing numbers everyday that they could.

Mrs. Oskolkoff, Mrs. Gillespie and Mrs. Fisher helped in making the costumes for the ones that were to participate in the program. Vincent Hotch helped decorate the model of the small world. Group 3 girls helped decorate the stage. You can see the last few weeks were very busy.

When the program took place everybody enjoyed it. "It Was Fabulous," remarked Mrs. LaMarr. A few other good remarks came from students and staff members.

Thanks to the ones that helped the program along and to the audience for good cooperation.

Friday evening, March 1st, was the culminating evening for the wrestling tournament at Wrangell Institute. During the previous two weeks all 125 boys had been involved in at least one preliminary match and the winners kept advancing until only two were left in each of eleven weight classes. These were from 47½ lbs up to 144 and above and many exciting preliminary matches were held before the final two were ready to wrestle for the championship of the Institute.

The match of the evening set the pace for the excitement. Claude Elachick, 48½ lbs squared off in the first of eleven matches. Eight of these were decided by points, one of the decision matches went three one minute overtime periods before it was finally won and this proved to be the most exciting match of the evening. Who's Who?

Anna Willis

This particular boy is from Chalkyitsik. His favorite pastime is sleeping. His best friend is W.S. He is in Group 4. Playing basketball seems to be his favorite sport. Seems that he hardly ever dances. He was born April 15, 1952 and is going to be 16.

WHO IS HE????

This girl probably is one of the cutest little girls here at the Institute. Her height is about 4' 11" and she has brown hair and brown eyes. She's seen mostly with S.W. who is her bestfriend. She's in Group 8 and loves popcorn. She comes from Healy Lake and has a good personality. Sometimes she is very shy.

WHO IS SHE?????

STUDENTS CROWNED

February was the month for kings, queens, princes, and princesses at Wrangell Institute. As with probably every school, students at the Institute enjoy these activities around the celebration at Valentines Day.

At the Sweetheart's Ball, for all students above 12 years of age, Anna Willis was crowned Queen of the ball while Fred Kirksteatter was crowned King.

Many classrooms had Valentine parties. In Mrs. Oskolkoff's room Evelyn Nick was crowned Queen and Walter Williams King. In this same room Bernice Zaukar was Princess and Peter Joseph Prince.

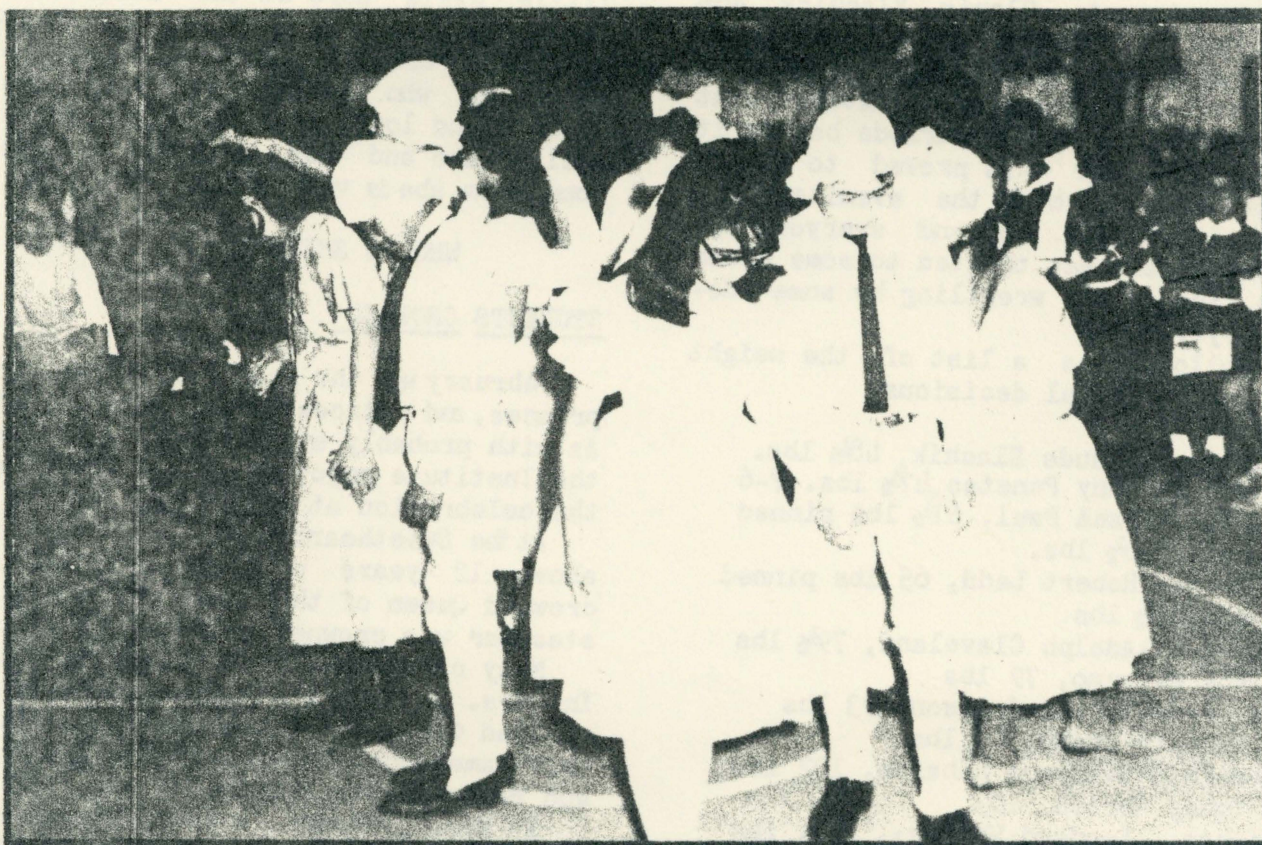

At Mrs. Gillespie's party Margaret Henry was crowned Queen and Robert Ladd King.

Students All over the school enjoyed the Valentines parties.

MORE DORMITORY ACTIVITIES

Word has just been received from Washington, D.C. that a project submitted under Title I, ESEA, 89-10 has been approved for Wrangell Institute. This project provides funds to hire several part time people to conduct extra dormitory activities. Already a person has been hired to conduct Leather Tooling Classes for the students ages 12 through 16. Another person has been hired to plan and conduct activities for the younger students, 6 through 11. These activities will include hikes, story hours, and filmstrips. It is hoped that other people can be hired to be with the students during their leisure time.

Martin L. Heflebower
Guidance Supervisor

The caddy question all the students ask Mrs. LaMarr when they come to social studies is "When are we going to the lumber mill and tour the Japanese boat?"

Mrs. LaMarr said that Mr. Fisher contacted the mill and their delay is because Mr. Neil is in Seattle.

Most students hope that he gets back before they go home.

They will probably keep bugging Mrs. LaMarr till then.

Cold spring, cold
Birds singing is cold windy spring
Sea gulls flying on top of a dancing ocean
Tell of fresh cold breeze blowing by.
